Mozambique		6	6	Down?			1	1	Min	7
Anglola					1			1	Min	1
Rwanda						?		-	?	-
Totals	4	20,161	20,165	Up	1,922	742	2,216	4,880	Up	25,045
Rounded	4	20,160	20,170		1,920	740	2,220	4,880		25,050

NB:

Table excludes speculative guesstimates

Numbers primarily compiled at the USFWS Rhino & Tiger Conservation Fund - and WWF African Rhino Programme - sponsored 2011 IUCN SSC AfRSG Meeting in South Africa. Species and Subspecies totals >500 have been rounded to nearest five rhino.

Trends are as compared to the 31 Dec 2007 figures.
